

Kvasnuk Vasiliy

Frontend Developer

Profile

I like beautiful, usable, fast sites and applications. I would like there to be as many of them as possible. I like to solve challenging tasks. I am a team player but I can also work independently. Have the ability to work under tight deadlines and I am resistant to stressful situations.

I like to spend my free time with my friends, ride a motorcycle, do active sports, cook something tasty, watch films, read interesting books.
